PROFILE SUMMARY

Cloud-focused Software Engineer with hands-on experience in AWS infrastructure, including EC2, Application Load Balancer, and Auto Scaling Groups, along with production application deployment using Nginx, PM2, Gunicorn. Strong foundation in Linux, Python, SQL, and frontend technologies with interest in building scalable cloud-based systems.

TECHNICAL SKILLS

Cloud: AWS EC2, Load Balancer (LB), Auto Scaling Groups (ASG), Amazon RDS, AWS S3, AWS IAM, Nginx, Apache

Networking: OSI & TCP/IP Models, VPC Network, Subnets, Route Tables, Security Groups, NACLs, Public vs Private IPs

Operating Systems: Linux (Amazon Linux, Ubuntu)

Others: MySQL

PROJECTS

Cloud-Native Web Application with AWS ALB & Auto Scaling | 2025 | [GitHub](#)

- Architected a highly available AWS web architecture using Application Load Balancer and Auto Scaling Groups to ensure fault tolerance and scalability.
- Provisioned service-specific EC2 launch templates and target groups with health checks and CPU-based scaling policies for reliable traffic handling.
- Configured ALB path-based routing and security groups to securely distribute traffic across multiple application endpoints.

Migration of Traditional Database to AWS RDS (IaaS → PaaS) | 2025 | [GitHub](#)

- Migrated a MySQL database from EC2 (IaaS) to Amazon RDS (PaaS), reducing infrastructure management overhead.
- Performed schema and data migration using AWS Database Migration Service (DMS), ensuring minimal downtime.
- Configured Multi-AZ deployment, automated backups, and snapshots to achieve high availability and disaster recovery.
- Implemented VPC, subnet groups, and security groups to secure database access.
- Monitored database performance using Amazon CloudWatch and optimized queries to improve response time.
- Enhanced system reliability and scalability while reducing manual maintenance efforts.

EDUCATION

- **BCA-Bachelor of Computer Applications** :Vidya Bharti Mahavidyalaya,Amravati (2022–2025) | CGPA: 6.78
- **12th Grade – Science** : The English Junior College, Ner | (2022) | 70.33%
- **10th Grade** : The English High School, Ner | (2020) | 76.00%
